POTENTIAL EMPLOYMENT OUTCOMES

- construction and mining labourers
- entry level positions within the resource and infrastructure industries

COURSE HIGHLIGHTS

This qualification provides students with the essential job-ready skills needed to enter the resources and infrastructure industry and includes components of planning and work health and safety within the workplace

COURSE FEES

Course fees may vary depending on the units you are enrolled in so an approximate amount has been shown based on Gold Training's standard unit selection. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

- face to face - \$3,300.00 (negotiable upon larger group enrolments)

Course fees are made up of two components: tuition fees and resource fees. Tuition fees are determined by multiplying the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction. Resource fees are charges for material that are essential to a course or unit, and are purchased by Gold Training to be used by students during the course.

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015, participants undertaking nationally recognised training require a USI before they can receive their training records and results. Once a USI is created participants will continue to use their USI for any future nationally recognised training they undertake.

Your USI links to an online account that contains all of your training records and results that you have completed after 1 January 2015.

If you would like to create your own USI prior to commencing training with Gold Training please visit www.usi.gov.au. Alternatively, with your permission (which can be provided when completing your enrolment form) Gold Training will create your USI number on your behalf.
